

SOUTH BENDIGO ATHLETIC CLUB RUN 12

CRUSOE RESERVOIR NO. 7, KANGAROO FLAT 10/8/2019

The IGA backed South Bendigo Athlete Club braved the hail, wind and frigid conditions at Crusoe Reservoir No.7 for their 12th club run. Numbers were expectably down given the Antarctic like weather greeting the dedicated athletes.

In the long event President Peter Curtis Jnr showed why he became a refrigeration mechanic, powering through the hail to claim his first win of the year, Will Noden and Josh Ketterer battled it out for the minor places.

The middle distance race saw Carol Coad narrowly hold on to her maiden 2019 victory ahead of the surging Jesse Noden with Peter Hayes continuing his end of season charge for third.

The underage race started in a deluge of rain, Tate McQueen was the keenest of the kids to get home in a hurry, securing his first club win ever, backmarker Bradie Sheldon rounded up the rest of the field to snag second only just pipping Gemma Tuena at the line.

Most runners had called it a day by the time the final race kicked off, however Kylie Campbell ran her season best in the gale to take line honours, Gary Mahon had to fend off young challenger Bradie Sheldon with the pair finishing 2-3.

Next week Athletics Bendigo hosts the Glen Allen Memorial run at Woodvale Recreation Reserve, for details contact Peter Curtis on 0417684306.
