

**SOUTH BENDIGO ATHLETIC CLUB  
CLUB RUN 5, HEINZ ST 18/5/2019**

The Champions IGA South Bendigo Athletes took their club run to Heinz Street on Saturday. A new distance and course layout proved to be a hit, and along with the sealed handicap style race, runners produced strong times in perfect conditions.

Featuring 58 club members, most dressed in their favourite sporting teams' jumpers for Colours Run Day. Collingwood and Essendon tops dominated the scene but couldn't capture any victories on the running circuit. Unfortunately, too many Richmond runners attended the race and too many Hawks fans performed excellently.

Hawthorn Tragic Peter Lebusque, 22<sup>nd</sup> over the line, was the strongest runner coming in 63 secs sooner than expected in the double lap category. Minor places were battled out by Josh Ketterer and Fastest Athlete Will Noden.

In the single lap division, local 3T fitness entrepreneur Sophie Hawken blitzed the field running a 15.03, only just missing out on the sub 1 min handicap, new runner Lucy Teale stormed home in the final kilometre to hold off young Jack Ketterer.

The underage race was smashed by Kate Wilson running the fastest 800m by an under10 girl at SBAC in the last 20 years, the previous fastest time was held by sister Megan set in 2016. 2<sup>nd</sup> and 3<sup>rd</sup> were secured by Alirah Norton and Charlise McQueen respectively.

The final race was the closest of the day. Allie Guillou ran her fastest club run ever to snag a win while Eli Pearce, who was brave wearing a Melbourne Demons top, edged out Josh Ketterer for the final places.

Next week South Athletes will endure One Tree Hill with the University Athletics Club invitation held at Latrobe University, our next club run will be on the 1<sup>st</sup> of June, Notley's Reserve Whipstick. New runners of all levels of fitness are welcome to join. If you have any enquiries, please call Peter on 0417 684 306 for further information.
