

## South Bendigo Athletic Club 2022 Club Run 6

### Sedgwick Community Hall

Saturday 18 June was the date for South Bendigo Athletics club cross country club run 7 at the Sedgwick Community Hall. As is standard for that area, the course had a number of challenging hills, including a uphill finish which made for hard slog sprints to the line up away from the creek valley. A close fought 6.5 km race saw a number of athletes over the line in very quick succession. The weather was kind to us, resulting in fantastic running conditions and a very pleasant atmosphere for our Soup and Sav lunch day. Thanks very much to all our volunteers who helped and made soup. Naturally, a big thank you to all our sponsors listed below as well as Champions Supa IGA. It's very nice to see so many people coming out to run with us, including many young kids.
