

South Bendigo Athletic Club 2021 Club Run 9: One Tree Hill Lookout

The Champion's IGA South Bendigo Athlete Club held this weeks Cross Country event at the One Tree Hill Lookout. 38 Athletes were brave enough to face the Cold, Wet and Hilly course, however most were not brave enough to stick around for presentations. Presentations for this week's competition will be held next weekend.

The 6000m race completed Four laps of the down and up course. Spectators enjoyed being able to watch the race unfold, as well as having the chance to cheer on the runners. Daniel Plowright placed first, followed by Zackery Tickell and Dave Box. Zackery Tickell was also the Fastest time, and Kirsty Seipolt was the fastest for the ladies.

The 3000m race was ran separately from the 6000m, for the first time in many years. Competitors completed 2 Laps, with first year runner Gracie Seipolt making the hills look easy with a very convincing win. Maurice Nihill was second and Fastest for the day, and Kelly Button (Inv.) was third over the line. Genevieve Nihill could not let her brother take home all the hours, walking away with the fastest female time.

In the Under 10's race the 500m was a nice change after a few weeks of 1km races. Ned Bowe gave it all he had to come across the line first, followed by first time runner Riley Button and Gemma Tuena. Ned and Gemma also took home the fastest time honours.

The 1500m race were thankful they only had to run up the hills once. A close finish saw Allie Guillou come in first, in front of Twin Sister Belle Guillou and Bella Smart. Allie was also the fastest female, and Daniel Plowright in his usual second race was Fastest Time overall.

Next week we will be conducting our Annual South Bendigo Athletic Club relay day, Held at Miller's Flat. Anyone wanting to be in a team, please let us know ASAP.
